

Daniel Todd Hill

January 19, 1964 - June 19, 2021

Daniel Todd Hill (57) of Spring, Texas, passed away peacefully on June 19, 2021 following a long and courageous battle with cancer. Todd was born on January 19, 1964, in San Antonio, Texas. A resident of the Houston area for most of his life, Todd graduated from Eisenhower High School and attended Sam Houston State University. Todd's love of friends and life provided him with the strength to face the challenges of losing his eyesight and disability at an early age. In his free time, Todd enjoyed vacationing and spending time with his family in the country, and outdoor activities. As a lifelong animal lover, he could always be found with his dogs by his side. He will be greatly missed for his generous spirit and sense of humor. Todd is survived by parents Dan and Jane Hill; children Brandon Hill and Hannah Hill; brother Timothy Hill and wife Carrie and their children Blakely and Bryant; as well as many other loving relatives. He is preceded in death by grandparents Henry and Frances Hill and Jack and Parthene Barrett.

A private service in celebration of Todd's life will be held with family at a later date. In lieu of flowers, memorial gifts may be made in Todd's name to Houston Eye Associates Foundation, 7155 Old Katy Road, Ste N100, Houston, TX 77024 or to Rogers State University ATTN: Dr. Danette Boyle, Nursing Program, 1701 W. “ We are so sorry for your loss. We wish you strength, courage and faith at this difficult time. We were acquainted with Todd through our daughter, Kay Wagnone. For the past six years, she and Todd shared a very special and close friendship. Todd was thoughtful and kind, a really sweet guy. We are grateful for the privilege of knowing him. Our thoughts are with your family. Dennis and Delores Palmer

“ We are so very sorry for your loss Hill family but happy that Todd is at peace and no longer suffering. What amazing memories we have of growing up with Todd - especially at Lake Conroe and our annual Hill/Davenport/Soisson/Mick trips. How many years did "the kids" stay up almost all night watching the Labor Day telethon and laughing to Saturday Night Live (back when it was really funny!!)? I just remember Todd loved life and it was evident in all he did - including the time he put WD-40 in my suntan lotion bottle and watched me oil up on the dock!! Years later our families met at the Ranch - I have a great picture of my young daughter Amanda covered in mud riding a 4-wheeler with Todd. She had so much fun with Big Guy - her nickname for him. So many memories!! When my dad died his doctor asked us who he was going to have dinner with that night (meaning who would be greeting him in Heaven). I'm sure Dad had a table reserved for Todd!! Rest in Peace dear friend...until we meet again.

Love you,

Robyn (Davenport) Horn and family
