“ It was an honor to be a friend of such a beautiful, elegant, and caring human being. Diana was a thoughtful intelligent woman who took pride in her family, her work, and her faith. I will cherish the memories of time spent with Diana.

“ The people we love become a part of who we are and when they leave this world a part of them stays with us. It is with a heavy heart I write this. Diana and I have known each other for over 30 years. She was my co-worker, my friend and over the years we called each other sisters. She is the sister I never had. Diana is caring, compassionate and funny. I admire her talent, she was a true artist. I admire her courage and her strength. I will miss our conversations, I will miss my dear friend, I will miss my sister. With love and sympathy to the Hundley family. I pray you find comfort through family and friends. Diana will always be in my heart.

“ Met Diana in the Summer of 1989. I was one of newly hired employees at SCIF. Diana mentored and trained us. She was one of the most soft-spoken and patient person that I have ever had the pleasure of working with in a bureaucratic-red-tape-run establishment. Diana stood out amongst the pretentious suits of careerist men and women. She was a mild-mannered Southern belle; a polite free thinker, who was never afraid to speak the truth - but she never spoke out of turn. Diana was always respectful. She was the epitome of what the word "thoughtful" really means - she always carefully thought her sentences through before sharing her honest feelings with others. She was always kind and spoke fondly about her family, whom she more than often expressed how important they all meant to her. The world is such a less interesting place without her. Rest in peace dear Diana. You will be sorely missed.

“ Only my heart know and feel the hurt and sorrow for Ms Diane. I miss her very much! I came to know Ms Diane at the Augusta Pines Walmart where she shopped regularly. During our conversations and getting to know one another, we became friends. Everyone that became acquainted with her, loved talking and visiting with her. She was so humble, witty, funny, very Intelligent. I'm forever grateful, the opportunity I was given to share with her, and to love on her. I was so happy to see the joy in her heart and smiles on her face. It was my mission to GOD be the glory!! Ms Janette thank you so much for that photo " Beautiful " To her family, my deepest sympathy! Ms Diana is very much LOVED!!
