Pamela Plumly Harris, a native of Beaumont, Texas passed away peacefully at home on March 26, 2021 after a battle with dementia. She was born June 27, 1949 to Patricia Carolyn Graham and Henry Curtis Plumly. Pam lived in Beaumont until 1962 when her family moved to Los Angeles, California. At the age of 16, Pam lost her mother suddenly and she and her two sisters were adopted by their Uncle William Edward Graham (Uncle Billy). Pam graduated from University High School in 1967 and Santa Monica College in 1970 with a nursing degree. Pam worked as a medical assistant with multiple private practices and was well loved by the doctors and patients alike.

The family lived in Culver City, California until 1999 when they moved to Palm Desert, California. Pam was involved in her church, Saint Margaret's Episcopal Church, where she was a wedding coordinator and worked with the youth groups.

The family relocated to Spring, Texas in 2008 for her retirement. Pam loved to travel, with 6 cruises, two month long trips to Europe, and many trips through out the U.S.

Pam was preceded in death by her mother, Carolyn (1965), her father, William E. Graham (2006), older sister, Patricia Smith (1997), and half brother, Curtis (2019).

The family would like to extend a special thank you to Physicians Group of the Woodlands, specifically Melissa Allen, Pam's wonderful PA for her wonderful care of Pam for the past 14 years and all members of Bristol Hospice for making Pam comfortable at

home until her passing. We would also like to thank our families, the Sue Family, and Pam's lifelong best friends, Terry Steele and Michele Ghiatis for their continued love and support.

Services will be held at the Harris family home on October 23, 2021. Graveside interment will be held in Beaumont the following day at Magnolia Cemetery at the Graham family plot. In lieu of flowers, the family would prefer donations be made to the Dementia Society of America in Pam's name.

“ We met Pam when our son, Jonathan, married Pam’s daughter, Carolyn. Bill and Pam were so kind and welcoming to our family. We loved them immediately! Soon after the wedding, Bill and Pam moved near to us in Texas. We have celebrated so many holidays and family events together. Pam is dearly missed but we have fond memories and know we will see her again. Bill, Carolyn and Paula hosted such a lovely and meaningful life celebration. Thank you all for that.
Much love,
Dave Milner and Pam Sue Milner

“ Aunt Granny, you are severely missed. You brighten every room when you walk in. We have so many wonderful memories with you; JD/Carolyn’s wedding, Drake’s 1st birthday, your 60th birthday, many swim parties, many family holidays... so many great times. Thanks for always being you. Thanks for making our family brighter! We love you and miss you.

“ My mother, Jenny, and Pamela's mother, Carolyn, were childhood friends in Beaumont. A few years after their mother's death and their move to California, the three sisters, Paula, Pamela and Patricia Plumley, came to Beaumont for a visit. Wow! My sister, Jane, and I were absolutely star-struck by these three sophisticated blondes from Beverly Hills who wore mod outfits and eye make-up. The memory was so vivid that I used a couple of the photos in my series of paintings "1967" to make "Pamela 1967" and "Paula and Pamela 1967". In the photo below, it's obvious that the Plumley girls weren't the least bit impressed by us two goofballs. Good times!
