

Sheron Oakes

August 10, 1948 - January 20, 2019

Sheron Oakes most importantly, was a woman who trusted and believed in the Lord. Many hard times came to her in life, but she never waivered in her faith in God. She always found positives and encouraged others to do the same. She prayed daily to give thanks for her life and for the good health and happiness of all those she knew. Sheron was known to be a giving, sweet and loyal person. Christmas was her favorite holiday because she could shower her loved ones with gifts. Sheron loved being a mother and grandmother. She prided herself on keeping a clean and organized home, saving special items and photos in her cedar chest, and doing anything she could to make others feel loved. Sheron never met a stranger. She enjoyed getting to know new people. She always gave people a warm welcome and sweet goodbye. She loved to hug and gave hugs that made you feel good inside. Her smile could light up room and make you smile too. Sheron has gone to be with Our Father in Heaven, but she will not be forgotten here on Earth. Her loving spirit lingers on in those she loved and all who knew her. She was a strong, sweet lady. She gave life all she had. She did the work, she fought the fight and now she is at peace The Addison family and staff extend their condolences to the Oakes family.

“ I first met Ms. Oakes when I worked at a local pharmacy. I introduced myself and told her I was friends with her daughter Shauna. Her entire face lit up and she replied, “it’s so very nice to meet you”. At that moment I met a Mother who loved her daughter more than anything. I could tell that Shauna was her entire world just by the way her face lit up. Every time from then on when I saw her she was always so very nice. Rest In Peace Ms. Oakes!

“ I remember living above Shauna and Ms. Oakes in the 90s. I was young and had a rough pregnancy, so I was home a lot. Ms. Oakes checked on me every day whether I thought I needed her to or not and always wwwwaayy earlier than I liked. :) She was so sweet and always so thoughtful. If there is one thing I can tell you about her, she loved her baby girl and cherished any of her friends. She was always happy to see all of us. I wish I had cherished that more and told her just how much it meant to me.

“ I became fast friends with Shauna when we met. Then it was meeting Sheron. I lived in the same apartment complex for awhile. I think sometimes she hated to hear us coming in the house. But most of the time she wanted to hang out and talk to us. There were a few times not many when Shauna would go visit her sister and she ask if I would check in on Sheron and she made me spaghetti. She enjoy just sitting and talking. She was a sweet sweet lady.

“ Shauna and I were good friends in high school and I spent a lot of time with Shauna and Sheron our Junior year. Sheron always had a huge hug for you when she greeted you and an infectious laugh. She made you feel part of the family. I want to express my deepest condolences to the family.

“ I first met Ms. Oakes back in the late '90s. She was the mother of my good friend Shauna. She always had a big smile and an even bigger hug for me. She never forgot to send a Christmas card and treated me as if I was one of her own. I hated to hear she was ill and not doing well, and it broke my heart to hear she passed. I will miss those hugs and her genuine sweetness. Deepest sympathies to her daughters and loved ones.

“ I remember that Mrs. Sheron was always so happy to have us over. We were always welcome in her home and she hated for us to leave. But more than anything, I remember how much she loved her baby girl. I never knew her when she had vision and when I heard that she had passed all I could think was image what she's seeing now. Rest in peace Mrs. Sheron and may your perfect new eyes be filled with wonder until we see you again.

“ Sheron Oakes was my beloved grandmother. I had the pleasure of meeting her once during her time with us, but I still remember her saying my name through the phone. She was always eager to hear how I was and what I was doing. I'm glad I got to meet her in person before she went to heaven. I love you Grandma. You will always be in my heart.

“ I first met Sheron when I was in high school and befriended her daughter, Shauna. I remember Ms. Sheron always being so happy and sweet to me whenever I'd come over. She remained that way throughout all the years I've known Shauna. Every time I'd see her, no matter how many years it might have been, she greeted me with the same enthusiastic "My sweet darling, angel Mandy, hi baby", there was always an angel and sweet words of love for me. Along with the sweet, loving words she would give me the best hug she could muster, and they were awesome. Rest in peace, Sweet Sheron.

“ I had just met Sheron just a couple of months ago. I am friends with Shauna and wanted to visit her mom while she was in her care facility that was pretty close to me. Although we just met, we became fast friends. I would visit her and do her nails as she told me endless stories about Shauna and her sister. Sheron would just light up talking about her daughters and grandchildren...she loved them dearly. I feel blessed I got to meet her, sneak some chocolate bars to her, watch Price Is Right with her and just listen to her. What a wonderful life she lived and her spirit will live on forever through those she loved the most. Rest in peace Ms. Sheron, you are already missed.

“ My mom rolled her own hair. After she lost her sight, she would fix it until it felt right under her hands. She would always ask me, "Do I look okay?" Her hair was soft, full and kept its color up until she was 68 years old. I hope to always remember her soft curls under my hands.
