

## Agustina Sanchez

October 13, 2000 - April 6, 2023

It is with deep sadness and heavy heart that we announce the passing of our beloved daughter, Agustina Sanchez, who ascended into heaven on April 6, 2023. She was a shining light for all who knew her and her passing leaves a place which can never be filled.

Agustina was born in Buenos Aires, Argentina to Marcela Granada and Julio Sanchez on October 13, 2000. She came to Spring, Texas at the age of 3, and very quickly made Texas her home. She graduated from Klein Collins High School, and was attending Lone Star College pursuing a career in the medical field. Agustina was intelligent, beautiful, and bubbly from the day she was born. She spread kindness and joy everywhere she went; she would do just about anything to put a smile on someone's face. She loved to be with her family and friends. She lived life to the fullest. She had a beautiful smile and was a light in everyone's life. Though her time here was short, she will forever be remembered for the impact she made in our lives and the imprint she made on our hearts. Agus is and will forever be our guardian angel.

Con profunda tristeza y gran pesar en el corazón, anunciamos el fallecimiento de nuestra amada hija, Agustina Sánchez, quien ascendió al cielo el 6 de abril de 2023. Ella era una luz brillante para todos los que la conocían y su partida deja un lugar vacío imposible de llenar.

Agustina nació en Buenos Aires, Argentina, hija de Marcela Granada y Julio Sánchez, el 13 de octubre del 2000. Llegó a Spring, Texas a la edad de 3 años y encontró en Texas su lugar en el mundo. Asistió a Klein Collins High School y actualmente cursaba en Lone Star College para seguir su carrera en el campo de la medicina. Desde el primer instante que nació irradiaba luz y llenaba de alegría los corazones de todos nosotros. Disfrutaba estar en familia y con amigos. Vivió la vida al máximo. Con su sonrisa llenaba de luz la vida de todos. Aunque su tiempo aquí fue corto, siempre será recordada por el impacto que tuvo en nuestras vidas y la huella que dejó en nuestros corazones. Agus es y será siempre nuestro ángel guardián.

“ I had the absolute delight of being Agustinas neighbor and we got to grow up as childhood friends. we have so many fun memories from our childhood. She and her family always invited me into their home with open arms. I will never forget her kindness, and her joyful outlook on life, she will truly be missed.

“ I'll never forget that agustina was once having a bad day after class. I remember helping her as I saw her cry in front of the school. I reminded her to have a positive attitude towards what she was going through at the time and that everything will get better within in due time . Although I wasn't close to agustina I'll never forget that conversation we once had. I'm terribly sorry to the family and friends of hers. My heart goes out to all of y'all! I'm crushed  
May she rest☐

*I can't get over this sad news that Agustina is not longer with us. I'm a friend of her parents, and loved Agustina since the day I met her. She was between 12 and 13 y.o. when I met her and her mom thru another friend that used to be their neighbor. Agustina was so friendly, had a big and sweet smile most of the time. She loved animals, we went to PETCO store once and she was delighted to see all the different species, but she liked dogs the most.*

*I'm so sorry that Marcela and Julio, her parents, had lost their only child*

*This shouldn't has happened, to everyone that are driving I should say think before you make a decision that can cause this to a very important person in the lives of so many, especially family and friends. May God gives peace and comfort to her parents, and they also feel God's constant presence! 🙏❤️*

“ First we send our deepest condolences to Marcela & Julio. May God embrace you with his love and comfort your time of need. The Cervantes household loves you and will be praying for you. To Agustina (aka the stang), I cannot begin to express the sadness in my heart. You came into our life 7 years ago and I have watched you grow into a extremely beautiful and amazing young lady. You have definitely left your footprint in my heart. You became family, my 3rd daughter. You made every event that much better with your personality, big smile and contagious laugh. Thank you for always being there for Joseph for loving him and being his best friend. I didn't see 7 years ago how much you would impact my life and I'm so grateful for knowing you. I will miss you so much. You will always have a place in my heart and I will treasure all our memories. Til we meet in the sky beautiful angel💕💕

“ Where to begin. Augustina you came into my family lives 7years ago. You attended all our family gatherings and BBQ and all the holidays. Your were one of a kind young lady with a beautiful smile and a loving heart. You gave us so much laughter and great memories that we have been talking about since you gained your wings. . I know you have fulfilled what you have come to do on this earth and now you will shine bright up above as you have more to do. I will remember your vibrant personality and smile. . Fly high and dance with my daughter and brother. You were there in my time of sorrow and I want to be here and to let others know you were such a wonderful person with a beautiful soul. Fly high Augustina ,this is not good bye but see you later ,until then dance away and fly free. Love you 🥰

*Si hay una palabra que la enmarcaba era "Alegria". Y su poder de ver las cosas con su propio lente lleno de inocencia y sorpresa; como quien descubre sus manitos cuando es apenas un bebe. Un torbellino de sonrisas a su paso. Besos al cielo y todo nestro amor y luz en este viaje hacia lo eterno.*

“ Dear Sweet Agustina, If I could have one more moment with you, I would give you a big hug and say thank you for making life more fun. From the moment you walked into our families life, you instantly became a huge part of our family. Your crazy ways and outgoing personality was so contagious. You could light up a room without even trying. You danced like no one was watching you and cared for everyone without expecting anything in return. You did the worm for me and made me laugh. You were always at all our important family gatherings. You were their to keep us smiling when we were sad. You said we were your family too. Joseph and you were lucky to have each other. Every memory I have of you puts a huge smile on my face. The easy part is talking about how good you were. The hard part is for everyone is living without you. You were one of a kind and an amazing person. You will be welcomed in heaven above with open arms. Give our loved one a hugs for us. And it's not goodbye, it's see you later. Love you always girl... love Irma and family

“ Agustina when you came into my life I knew you would be a essential part of my life. You made me smile everyday, you shined like no one else could, give hugs like no one else could, you just did everything the Agustina way! Words don't describe the pain each and every person is feeling from this. But we all know you are dancing, singing and most of all smiling up there. I love you so much and miss you tons! 🕊️📧

“ I love you so much Agustina, you will always be my sister. You brought so much joy to our house, my family got to see you grow up and us transition from teenagers to adults. I love how me and you were born a day apart, your 13th of October and I am 14th both born in 2000. I remember you had so many questions about makeup and I loved helping you. I have so many memories photos and pictures. I remember I always called you something Sánchez or the stain and you always called me trishy or trishy pat and I'll never forget it. Your smile was so bright and precious, you would let nothing or nobody steal your happiness and you always walked in love. Words can't express how much It hurts so much to see you go. I love you and I hope you're resting in eternal peace. Imma miss you so much. ☐
