“ I just found out you passed away! 💔 I just heard you were gone and I am so very sorry you felt so alone. I wish you knew how loved and cared for you truly were. You were always such a great friend! Your laugh was contagious and you always made sure to be a very caring and compassionate soul. I'll always remember sneaking over to your house to drink and hang on the trampoline. Story is with you in heaven now. Sending love to you ladies up above! God's got you both now and may your souls rest in peace as you both fly high with the angels above.

“ I don't know what made me look for you. But I just did and I found this. I used to baby sit you and was friends with your Mom and Dad. I'm in Fort Worth Tx and would have loved to see you. I'm so sorry sweet girl. My condolences to your family.
