

Autumn Deanne Rountree

January 17, 1978 - August 27, 2021

IN LOVING MEMORY

Autumn Deanne Rountree was born on January 17, 1978 to Rex and Linda Rountree and was called home to be with our Father on August 27, 2021. She accepted Christ at an early age and was proud to call Jesus her Lord and Savior.

Most of Autumn's childhood was spent in Hughes Springs, Texas before moving to the Houston/Spring, Texas area, where she last called home. Autumn graduated from Jersey Village High School in 1996 and went on to obtain her Associates Degree in Business from Lone Star Community College. She excelled academically, making the Dean's List on numerous occasions. Autumn equally excelled professionally; she was an Account Manager for several prominent insurance companies before becoming the Office Manager/Dispatcher for a large, local HVAC company. Those who had the chance to work with her always complimented her on her hard work, diligence and a tough, can-do attitude for a female working in a predominantly male industry.

But by far, above all else, Autumn considered being a Mother her greatest accomplishment. She had Landon at 24 years old and was ecstatic the day he was born. With her unconditional love, nurturing and guidance, Landon has

grown up to be an incredible young man, whom she was extremely proud of. The close relationship the two shared was one she cherished with all her heart.

Along with the profound love for her son, Autumn devoted her time and attention to her family, including ALL her nieces and nephews, anytime ANYONE was in need. She was known for dropping everything she was doing, jumping in her car and running to their aid. Her compassion also extended to animals in need. All of the pets she's ever owned were from shelters and/or ones she rescued off the streets. Her beloved dog Gunner was a rescue, her best friend and was there by her side every step she took. Autumn was also known for her quick wit, hilarious dry sense of humor, and having absolutely no filter on her mouth. At just about every function she attended, she'd have people doubled over in laughter and sometimes even in awe, like "did she just say that??" Autumn was everyone's "Ride-Or-Die", there in a heartbeat to give you the shirt off her back type person. All of these wonderful qualities, she so exceptionally mastered, will truly be missed.

Autumn leaves behind to cherish her memory, her mother, Linda Ledbetter, her son, Landon Strauss, her sisters, Amber Neal and Ashley Rountree, her nieces, Briana Craig and Faith Justice, her nephews, Devin Rountree and Justin Neal, along with her best friend of more than 20 years, Laura Slavin Meader and her family. She was loved by an extensive host of family, friends and animals. God bless her soul.

“ I haven't seen you since our days in Inwood back in the 80s, but even after all these years I think about the powerful love you and your sister Ashley shared. May God grant you peace and joy until you are reunited again.

“ Autumn, Itsy. What we would call her when we were younger and my family would go visit in Houston My Uncle Rex and his family lived. We went to an amusement park and to Galveston while there. Many other memories of Autumn Ashley and Amber were during the holidays at Grandmama's. Always special times then. Praying for peace and strength during this time. She will always be with y'all Patty and Abbe

“ *Although we didn't know each other very well, I do know the son you raised..you have done an amazing job with Landon..watching Ally and him step into this next phase of life, is stressful, but so rewarding. You've raised a gentleman to say the least. Kind, thoughtful, respectful...*

“ *Autumn, we had so much fun, it was never boring. Watching our boys play and grow up into young men. We did have many crazy nights. Never thought they'd be memories right now. You have gone way to soon. But you'll never be forgotten. Prayers to the family for your loss of a special angel.*

“ Autumn, you will be dearly missed. You were always such a sweet, happy, fun loving, and giving friend. 💕

We don't always understand why someone such as yourself has been taken so soon from us, but we can find comfort in knowing you will somehow always be with us.

I'm praying for the comfort and peace of everyone you have blessed with your presence in their life.
