Life tribute to Barbara Davis

Barbara was born in Bishops Cleeve, England on September 14, 1927. Mum passed away Thursday, January 15, 2015, at the age of 87. She was preceded in death by her husband, Gerald J. Davis in June 1997.

Left to cherish her memories are her daughter and son-in-law, Mitzi and Bob Shirley, her grandson and his wife, Christopher and Monica Knehr along with their daughters Madyson and Tamra, also Barbara's brother, Bill Birt and niece Carna Clark, both of England. As well as numerous extended family and friends.

Barbara met Gerald while he was overseas during WWII. After he finished his tour, returned to the states, he then returned as soon as possible to England to marry her. They made their home in the U.S. and many years later ended up in San Antonio, Texas. They were blessed with 50 years of marriage.

Mum was a faithful member of Randolph Church of Christ in Universal City, TX. She spent a great deal of her life helping others and it gave her great pleasure to do so. Every Tuesday evening was spent at Autumn Winds Retirement Lodge singing and uplifting the folks there. Every week she worked at the church building to give food and clothing to those in need.

Mum worked as an Ombudsman at local nursing homes. She was always ready to take meals to members of the church or neighbors who were ill or in need of help. Mum was a firm rock at my dad's side helping him with his endeavors, as deacon of the Church and then later an Elder, president of AARP, starting up a library in Universal City and doing Bible classes. She later cared for my dad during his long illness with kidney disease - never wavering.

She showed me how to love, how to cook, how to enjoy a lovely cuppa British tea, and most importantly how to love Jesus as well as others.

She was one in a million, correction, one in a billion.
