

## Beverly Ann Rocha

June 19, 1956 - October 8, 2025

Beverly Ann Rocha was called home on October 8, 2025, at the age of 69. She was born on June 19, 1956, in Erie, Pennsylvania, to Geraldine Elaine Platz and Clayton McKinley Brewer, Jr., where she was raised alongside her brother Brian.

In 1980, Beverly left behind the snowy winters of Pennsylvania and moved to the Dallas–Fort Worth area to start a family and build a new chapter. Shortly thereafter she welcomed her son, Lenny, in 1983, where she grew roots in the state of Texas. She was a devoted mother who instilled strong character in her son and championed his education, supporting his pursuits at the University of Texas.

Beverly found love again in the early 2000s and married Rey Rocha in 2004. They shared a love of travel, and after Rey's retirement they moved to Lake Toledo Bend in East Texas to enjoy lake life and a slower pace. Beverly and Rey were active in the community, where Beverly volunteered and Rey taught Spanish at the local high school. In 2018, they moved to the greater Houston area to be closer to her beloved grandchildren, Stark and Mackey.

Beverly will be remembered for her warmth, generosity of spirit, love for the lake life, and the joy she found in her grandchildren.

She is survived by her husband, Rey Rocha; Rey's son James, daughter-in-law Apton, and grandchildren Landry and Malakai; her son, Lenny Bianco, her daughter-in-law Jenn, and grandsons Stark and Mackey; her brother Brian Brewer, and her niece Leah Lopez, and Leah's daughters Lainey and Lily.

A service to celebrate Beverly's life will be held on Thursday, October 16, 2025, at 2:00 pm at the main campus of St. Luke's United Methodist Church in Houston. Immediately following the service, a reception will be held in her honor.

In lieu of flowers, the family invites contributions to the Longest Day Alzheimer's Association. For more details: <https://events.alz.org/s/2162/2616/>

“ *Bev and I worked together at Verizon for many years and became good friends. Bev was always resourceful in figuring out a way to solve a problem. We enjoyed having Bev & Rey stay with us at our Beach home in Port Aransas. We also visited them at their lake home on Toledo Bend. We all shared a love of the water. I will always appreciate Bev taking her time to help me clean out my mom's home after she passed-away. Bev helped me to figure out what to keep and what to get rid of. It was a huge blessing to me and one I will never forget. I will miss her dearly, but look forward to seeing her again in Heaven one day!*
