“ It has been an honor to work with Brenda at Vogel the past few years. She always met me with a smile, showed genuine concern for her students both academically and personally. She often shared funny things her son did and I knew when she mentioned him or her husband, they were always first in her mind. My prayers are with her loved ones and her many friends for peace and comfort now and in the days ahead. There is no doubt in my mind that she smiling in the arms of her Savior.
