“ I will always appreciate the love that B. Jack had for new members, the importance he felt of their pictures needing to be taken to get them connected to the Lords church. He's taking pictures was so important and he took a lot of pride in that ministry. I only got him to ride with me one time to take pictures of the church golf tournament. He did a really great job in taking those and riding those 18 holes with him for over four hours was such a blessing for me. B. Jack was such a blessing to me and I will always remember the picture that was posted in these memories with his cowboy hat on and that big broad smile on his face. B.Jack you will be missed and every time a new family places membership people will be looking for you to be walking down the aisle to meet with them to be able to take their picture.

“ B. Jack... what a smile. I'll miss him and that smile. He took his responsibilities seriously and discharged them faithfully. ... always with a smile. I'm sorry that present circumstances made it impossible to say goodbye properly, but you ran your race all the way across the finish line and oh... the welcoming committee who greeted you on the other side. We'll miss you brother. Until we meet again! - Ken Stegall
