

Carla Barron

October 7, 1985 - July 6, 2023

Carla Barron, 37, of Houston, passed away on July 6, 2023. Carla was born on October 7, 1985, in Amarillo, TX. Memorial services are pending. She is survived by her spouse, Leilani (Cathy) Barron, her mother, Sheryl Barron, her two brothers, Chris Barron and Trey Barron, sisters-in-law Stephanie Barron and Shannon Barron, and her nieces and nephews. Carla is also survived by many friends who knew her and loved her. Also surviving are father Ray Barron II and grandfather Ray Barron. Carla was an organ donor and was able to help five others upon her passing.

Carla moved to the Houston area in 2009 with her mother, Sheryl. With her compassionate nature and love of children, she landed a position as Patient Navigator at Texas Children's Hospital in 2016, working with critically ill children.

She found love and happiness with Leilani in 2017. They were married in a beautiful outdoor ceremony on October 16, 2022, with family and friends attending. They were creating a wonderful life together.

Carla loved her family very much. With Leilani, she never missed out on an opportunity to spend time with her mother, her brothers, and their families. She loved her nieces and nephews dearly. Camping trips, Taco Tuesdays, dinners out, and museum jaunts were all included in treasured family time. Her friends were also important to her, and she valued them highly.

A creative soul, Carla wrote poetry, created jewelry, and explored printmaking and drawing/painting. Even her doodles were intricate, beautiful creations.

Surrounding their home with plants, Carla often made them the subject of her art. She also created her own body butter which she had begun marketing recently.

Carla was a light in this world. We encourage all those who survive her to carry it forward.

“ There are just to many memories I have with you. From before we became friends, the time we became attached at the hip, the many sleep overs we would all have, going to sugar ray concert, the time we both got our first job together, going to prom together, graduating at different times but still celebrating each other, the many crazy things we did growing up, you being a brides maid at my wedding..... the list goes one. I never imagined I would have to say goodbye to my best friend. I love you so much Carla and miss you tremendously. This world is truly missing one of the brightest lights. You made everyone feel so special and you had the most caring and kind heart. You always forgave people even if they didn't deserve it Bc to you they did. I will see you again someday in gods time.

“*Carla, my beautiful friend, I will love and miss you the rest of my days. Literally the day before I found out you left this plane to move to the next I was telling the epic story of our never ending pool games. For the two of us that were... okayish at pool, get a few cherry cordial shots in us and we were AWFUL at it. We'd giggle and tease each other at how bad we were, of course extending the game further. Our spot pictured here when we would sit and talk about life, or just laugh and have fun. Our weekends at Sassy's dancing all night, thankfully before smartphones and the hight of social media. 212 nights and going backstage before or after the shows to greet everyone. I'll never forget our long talks when you'd drive from work to school while I drove to Lubbock. I'll always tell our funny stories with a smile and a laugh. I'll always be so grateful for your mom bringing you into my life when she knew you needed a good set of friends. Little did we know how perfect that timing would be. I'll miss you my beautiful friend.*
