“ My dear sweet friend you will be very much missed! You always made sure that when we went out, I made it home safely. You loved playing pool with me and loved beating me even more. You were always my cheerleader, no matter where life took me, you were there to cheer me on. I will miss the fun times, the laughs, the talks and you more than you will ever know. Rest in peace my sweet friend, until we meet again. Prayers and lots of love to John, the girls, the grandbabies and the rest of the family. My heart is breaking and will forever have a hole in it without you here. Love you, Char Char!

Charlene, wow, I am just reading this in disbelief. I met you at great granddaughter Kenzie's baby shower and we just clicked! Enjoyed our middle of night FB messaging and our joking about our morning coffee addiction! LOL May you rest in peace. Finally free of pain, you suffered so badly with. Prayers for John and family.
