“ *Just saw Texas Country Reporter and they were talking about a cemetery in Center Point where many DPS officers were buried, made me think of my friend Charlie. So sorry to hear of his passing. I have so many great memories of the man. I did plumbing work for him in Old Town Spring and your home in Lexington. We played softball together in Klein, he was a tough competitor . Very much loved and respected as is his wife. Your loss is heavens gain. David Wright Spring Texas*

“ *Charlie will be deeply missed by the Olivarez family. We'll always remember the amazing neighbors the Rogers family has been to us over 24 years. They were there during the ups and down. Without being asked, Charlie and his family have always been supportive from the time Charlie and Beverly showed up to our grandpa's funeral driving 2 hours without hesitation; to the times Charlie would drag an extension cord from his generator across the road to make sure we had power during hurricanes and winter freezes. Rest in Peace Mr. Charlie you'll stay in our thoughts and Prayers always.*

*Love,*

“ To all the Rogers family. Chuck will be deeply missed by all who know him. He was one of a kind. We have fond and wonderful memories of him from when the kids were growing up together. We can't pass a Dairy Queen without thinking of our many meals together there after ball games. You are in our thoughts and prayers.

I relate to Lisa's remark. Back in the day (1970's) I was somewhat rowdy myself. I was in a serious motor vehicle accident and he came to my parents house in Spring to tell them so they wouldn't get a horrible phone call. Live you Mrs. Rogers and boys.

“ *Charlie Rogers was a lawman when law enforcement personnel were highly respected. As the daughter of a local Spring man who was known to get a little rowdy, I knew without a doubt Charlie had the utmost respect of my Daddy and my Momma. His sheer presence in any situation commanded respect and appreciation for his loyalty to uphold the badge of honor he wore proudly. Rest In Peace, Charlie Rogers! I know you will continue to keep everyone in line. We were blessed to have known you.*

“ Charlie was the best police officer in Spring, Texas. He knew most of us were driving with out a license when we were learning to drive. He'd give us the "look" as he'd pass us as we tried to look like we knew what we were doing. What a reunion he's having in Heaven with my dad, John Salyers and all the other old timers from the court house! Always felt safe in Spring just knowing he was on duty. Sending lots of love and prayers to Beverly and the boys. Susie Salyers Perez

“ Our sincere sympathy for the Rogers family. We shared lots of laughter and good times together while watching our children grow up together on Stone Mill. The weekends at the farm, having a fire in the winter, the many trips to Canton, our time spent at the ball fields to name a few. We love this family!!!
