

## Chase William Sirey

July 6, 1992 - September 30, 2018

Chase passed away at his home surrounded by his family. Chase was born, and lived, in his favorite place in the world: Houston, Texas.

He was born to Wendy Sirey and Ronald Sirey. His grandparents, Cindy Mason, and Richard and Kathy Sirey, truly adored him. He cherished his two siblings, Chance Sirey and his significant other Alyssa Guzman, and Krystal Sirey, who preceded him in death.

Chase participated in sports and even competed weekly in a junior bowling league. He enjoyed playing many sports like basketball and golf, but took most pleasure in football and bowling. He loved to roam the halls of Westfield High School, a place he felt was his second home, where in which he competed at the highest state level for bowling. Chase graduated from Westfield, earning his high school diploma. He had a great work ethic and was very driven. He was most passionate with his photography work with Life Touch, where he shined the most.

Chase's special interests and hobbies included rooting for any and every Houston team, grilling, being around the ones he loved and kicking back with some great music.

Chase dearly treasured his lifelong relationships with his family and friends, and his love and passion for all things Houston

The Addison family and staff would like to express our condolences to the

Sirey family and friends.

“ I am so sorry to hear of Chase’s passing. I knew him as a child, as my close family friend Margaret Neal was his babysitter for several years. Chase was so funny as a child. He had big, squeezable cheeks and soft brown eyes. He was so sweet and boy..he had the mouth of a sailor lol. I remember him cussing up a storm as a young child. He loved watching WWE. I remember he had a crush on me as a child and it was the cutest thing ever. There are no words to describe my sorrow for his early passing. ❤️
