

Clarence Coleman

October 24, 1958 - February 24, 2022

Clarence James Coleman, age 63, passed away peacefully on Thursday, February 24, 2022 at his home in Houston, Texas. He was born October 24, 1958, in Lafayette, Louisiana to Clarence Coleman and Helen Comeaux Coleman. Clarence was a graduate of Holy Rosary Institute, also in Lafayette, where he excelled in various sports. He also attended Southern University in Baton Rouge, Louisiana. Clarence was an avid fisherman and enjoyed many other outdoor activities.

Clarence married his college sweetheart and love of his life, Anita Campbell, on August 6, 1983 in Shreveport, Louisiana. To that union, they had three sons: Clarence "CJ" Coleman, Christian Joseph Coleman, and Courtney Javon Coleman.

Most recently, Clarence worked as an Operations Manager with Turning Basin Service, Inc where he exhibited an immense compassion for his profession and associates by way of leadership, integrity, and dependability. He found happiness in the simplest of things: spending quality time with his family, visiting with his multitude of friends on the phone, and supporting the endeavors of people in his midst. He was a selfless man with a servant's heart who would always put others before himself. As a father, he was the best teacher, mentor, and idol to his three sons. As a grandfather, he cherished his granddaughter, Sahara Giselle Coleman.

Clarence is survived by his wife, Anita; three sons, Clarence "CJ", Christian (Catherine, much loved daughter-in-law), Courtney (beloved Kendra); his

cherished mother-in-law, Jenny Lampkin; five siblings: Gwendolyn Lewis, Phyllis Mouton (Lyle), Wayne Carlton Coleman, Thomas Allen Coleman (Victoria), Alberta Howard (Shannon); and numerous cousins, nieces, nephews, and many life-long friends.

“ To My Friend, Classmate, & Teammate. I'm really gonna miss talking with You Man. Our conversations were Hilarious & Funny. One of the Stories that stands out about Me, that kept You laughing "All" the time. When i ran my mother's Grand Prix into the Cafeteria at School. We were on our way to the Trophy Shop, to get our Basketball Coach his Award. For the Athletic Banquet, that Evening in the Cafeteria. And "You" no one else. Convince Me "said Hit it Flat" I lost control and there we were over the Hedges into the Cafeteria wall. "Buba" jumped out of the car in a state of Shock" That's when all Jokes began. Anthony, called my mother's car an Army Tank, said We were after Brother Stilford, who was a Man of German descent. "Said we were at War". Others mentioned, going the Opposite way of a Drive through. The jokes just kept coming. I remembered, we were sitting together at our last Class Reunion. He was sitting next to my wife. He said "Tricia did Flat ever tell you, he ran into the school Cafeteria & start Laughing so hard" My wife didn't have time to answer. Finally, when he stop laughing. "He said, let me tell you what happen & start laughing again. He never told her the story, because kept laughing out control. That event, made Him laugh Unconsciously everytime he talked about it. Also, Dennis, Buba, & Danny had a conference call with Him about 2 months ago. They ask him, what was the funnies thing He remembered in school. Clanky's respond: When Flat ran into the Cafeteria. And they all start Laughing over the phone. The company he worked for, has a Division which is on my way home. We spoke about that before his passing. Now that He's gone Home to be with the Lord. Soon as i get to that location, i can feel the tears rolling down my face, until i get to the turning light. "GOOD" people like Clanky don't come around often. I Thank "GOD" for the time and connection we had. I will cherish it, for the rest of my Life Brother.

GOD knows the dept of Y'all Love for Clanky and only "HE" can bring the Comfort Your Heart needs. May Y'all be comforted by "Faith" that "GOD" has brought Clanky to a Beautiful Place of Everlasting Light & Love!!

*Anita, If You or Kids need Me. Please Call.
Love Y'all & May GOD Bless & Keep You!!*

I met Clanky in 1972, our freshman year at Holy Rosary. Our class has always been family. The last time I saw him was for our 40th class reunion in 2016. His parting words to us was "I love all of y'all" and we responded with we love you too Clanky. How many classmates have that special bond and love for each other. He will forever remain in the hearts and minds of the Holy Rosary Institute Class of 1976. Fly High Clanky.

“ Clarence, your walk on this earth was certainly not wasted, your unconditional love for people and the ability to make someone's life better was always on full display. You have touched & helped so many people with your big smile and compassionate heart. I miss our phone conversations and both the professional and personal relationship we enjoyed for almost 23 years.

I also found out 3 days ago what you did for me that changed my life and possibly saved my life. CC, since you hid this from me for approximately 8 years, I can assure you this will be our first conversation when I come to reunite with you in heaven. As we discussed during one of our last conversations, I love you like a brother and I will miss you dearly.

Until we meet again..... I hope you have plenty of shrimp in heaven!

To Anita, CJ, Christian, Courtney & family,

I pray that our Heavenly Father will wrap his arms around you and give you peace and comfort. Your husband/father was bigger than life and he will be truly missed by those that knew him and those that will never get the chance to have that blessing. May God bless you and give you strength in the coming days, months & years.
