“ *Clora Heath was one of the finest human beings I have ever known. She possessed that rare combination of humility, intelligence, and benevolence. I never heard her speak ill of anyone. Most importantly, she loved Christ and was his devoted disciple. I am so very grateful to have had her as my friend and role model.*

“ How blessed I was to call Clora my friend, to share not only our Heart to Home group, but also an eternal life in Heaven. She was intelligent, educated, sweet, interesting and most of all a wonderful Christian example. I am thankful she lived close and we could share car rides and interesting conversations. I will miss her until we meet again. Prayers for her family, I know you will miss her greatly.

“ Clora always greeted me with a big smile and exemplified a Christ-like spirit to those who were in her presence. I appreciated her example and that she was faithful to our Lord until the end. Our loss is Heaven's gain. See you soon sweet sister.

*Greeting Clara always brought to mind...
"There's a sweet, sweet Spirit in this place, And I know that it's the
Spirit of the Lord; There are sweet expressions on each face, And I
know they feel the presence of the Lord". Yes, we will miss her. Rest
well, ma'am, until we meet again.*

We've known Ms. Clora for the last 13 1/2 years. Our son played violin in school since he was in 4th grade and we had that love of concert music in common. In her later years when she no longer drive, we would provide lunch and transportation while she provided the tickets to the Houston Symphony on many Sunday afternoons. My mother's name was also Clora. The only two I've ever known and both were strong and independent women with a love for God, Family and Country! We will miss you so much, but will see you again one day in that heavenly home.

Love and condolences to your family, Louis and Elizabeth Eich

Clora was a Sister in Christ of mine and many others. I met her at our Genealogy Club in Tomball, then we began enjoying many activities together for years: the Houston Symphony, Plays Downtown Houston, then moved to the Owen Theatre plays in Conroe, Texas. As we drove back/forth we enjoyed sharing our many life experiences of family, work, and church. I was blessed to be able to visit with Clora, at her home, a few weeks ago. She greeted me with her glowing smile.

*Looking forward to seeing her again in Heaven and continuing our conversations. May her family be comforted during this time. Love,
