“ *I am sorry to learn of Danny’s passing. My dad and Accor were friends many years ago. I also went to school with Ronnie. Ronnie introduced me to Danny when we were still in Elementary school. Danny later helped me many times with my air conditioning problems. I learned much from him. I even obtained my license a few years later. He shot straight with me and I never forgot that. I just learn that Danny and Ronnie are gone. I am so sorry for your loss.*
