“ My condolences to Darin's wife, children, parents, and other family and friends. What a tragic loss at this time in his and your lives. As a Project Director, I have worked with Darin at Gulf Interstate for the past several years and worked closely with him on a number of projects. He was a pleasure to work with and always took pride in providing quality work to our clients. I know I speak for all of us here at Gulf in saying Darin was one of our best "Pipers". He will be greatly missed.

My prayers are with you,

Karl Swanson
