“ *I'm so sorry to learn of David Kubas passing! I just pulled out an inspection report from July 2013 & was going to call Dave for help. He inspected 2 homes for me that year. I'm sad to find an obituary instead of a phone number. He was so thorough & patient throughout both inspections. I was impressed. I told him I had truly met an inspector with the heart of a teacher. Blessings & peace to his family.*
