

Donald Ray Flowers

September 6, 1975 - September 20, 2024

****In Loving Memory of Donald Ray Flowers****

It is with heavy hearts that we announce the passing of our beloved Donald Flowers, who left us peacefully on September 20th, 2024 at the age of 49. Born on September 06, 1975, Donald brought joy, laughter, and love to all who knew him, sharing his beautiful spirit and unique view of the world and live for WWE with everyone he met.

Donald was a special soul, full of love and light, whose presence was a constant reminder of what it means to love unconditionally. Though life presented him with challenges, his passion for living and unshakable spirit taught us all lessons in patience, kindness, and the beauty of embracing every moment.

To know Donald was to experience a pure and genuine love and unexpected moments. He found joy in the simplest things — including debating whether bumble bees had teeth. His joy was contagious, his hugs were warm, and his big beautiful eyes spoke volumes, even when words could not. He had an uncanny ability to make everyone around him feel seen, loved, and important.

Though our hearts ache with the loss of his presence, we find solace in knowing that Donald is now at peace, free from pain and resting in the arms of

the angels. His memory will forever remain in our hearts.

Donald is survived by his devoted family: (Parents) Brenda Taylor & Kenneth Flowers, (Siblings) Kenneth Taylor, Tomeka Flowers Casanova, Tashiba Ware, and Donnie Ware, (Aunts & Uncles) Samuel Stanley, Verna Atkins, Steven Crooks, Letha Flowers, Stephanie Flowers, Tommy Flowers, Karen Flowers, Patricia Flowers & Uncle Pastor, Martha Aston and countless other cousins, family members and friends who cherished him deeply. His love will continue to ripple through the lives of those who were fortunate enough to have known him.

Rest in peace, dear Don. You will always be our sunshine and yes we can smell "What The Rock Is Cooking!"

“ Nothing you love is lost. Not really. Things, people—they always go away, sooner or later. You can't hold them, any more than you can hold moonlight. But if they've touched you, if they're inside you, then they're still yours. The only things you ever really have are the ones you hold inside your heart.
