

Donnie Lee Wimberly

June 16, 1973 - February 5, 2023

Donnie Lee Wimberly unexpectedly, but peacefully, left this world on Sunday, February 5th, 2023, at the age of 49 at home in Magnolia, Texas. He was born and raised on the Northside of Houston where he attended Aldine School District, and met many of his lifelong friends, that soon became family. He was given his first car as a young teenager, a white, beat up 1972 Chevy truck. His dad began teaching him how to become a mechanic, soon creating a love for racing. Turning his once beat up white truck, into a bright red, loud, and fast race car. While still in high school Donnie met Joyce, they became inseparable, she raced away with his heart, and their journey began. They married in 1994 and welcomed what would become his whole world, their two daughters, Alexis and Torrey. He spent the last years of his life dedicated to his beloved grandchildren, Aubrey and Cameron. Quickly molding himself into the best dad and grandpa anybody could have asked for.

Donnie survived many things in his short life, that many of us would not have overcome. His goofy and mischievous sense of humor constantly caused laughter and despite everything Donnie had been through, he remained encouraging and supportive to anybody who had the pleasure of meeting him. He was the strongest man that many of us had ever known, some may even call him a man of steel. But he was certainly our Superman.

Donnie was preceded in death by his mother, Elizabeth (Liz) Gail Matthews

Wimberly. He is survived by his wife and best friend of 35 years, Joyce Ann Koliba Wimberly; daughters Alexis Ann Wimberly and Torrey Lee Wimberly; grandchildren Cameron James and Aubrey Elaine; father Donald Lee Wimberly, Sr., and his brother Jason Allen Wimberly.
