“ *I just found this, I was friends with Doug when he ran the Dort Cinema in Flint Michigan
I was his assistant manager...We were very good friends...We hung out together, hunted and spent many evenings having long talks...We lost touch after He moved to Texas to run another cinema....I often thought about him...and would have loved to see him again.
He was a very good decent human being. My deepest prayers for his family.

“ I worked with Doug at El Paso Energy. News of his passing was very sad and a shocking. He was a very nice man and I enjoyed his company and sense of humor very much. His daughter was a baby/toddler back then and he doted on her so much. We'd all joke how he would leave work to go home and be told what to do by a baby girl, Doug would laugh and shrug like - "yeah pretty much", Obviously a happy father and husband. Deepest concordances to Doug's family.

“ It's hard to say enough of what Uncle Doug has meant to me. I have so many wonderful memories of him! Everybody has that really cool aunt or uncle that does fun things and spoils the nieces and nephews. He has always been "my cool uncle." He used to visit often and we always had so much fun with him. When I was in middle and high school, I got to fly to Texas to spend a week with him almost every summer. He made it so fun! We would go to the grocery and I could pick out any snacks I wanted. He would take me to the mall, baseball games, Galveston beach, and lots of other fun places. We drank lots of Pepsi together! He taught me about cats and scuba diving and Mexican Coca-Cola.

Fast forward many years...not long after sweet Brianna was born, my daughter was born. We moved as a family to Houston and got to spend lots of time with Uncle Doug. Only being a little over a year apart, our two little girls were now playmates! That was such a fun time! Over the years, I have enjoyed all of the time that our two little families have spent together. Uncle Doug was kind, funny, generous, and a wonderful person. I will miss him so very much! Much love to Aunt Trish and Brianna. God be close to you during this very difficult time. Love you. Britt

“ I am so sorry Trish and Brianna.

What a great loss.

Brianna, you were truly the light of your dad's life and that was clear from the time you were born.

He was always such a quiet person, but had the kindest heart which will shine on in you forever.

Love, Jenny

“ One of my best memories of my brother Doug was his element of surprise. Doug moved to Texas many years ago and we moved to Indianapolis and Lafayette Indiana. Our parents ended up in Indianapolis after retiring. Doug made many visits over the years back to Indiana. The funny part was that we would very rarely know when he was coming. He would never call and say I am coming tomorrow and give a time. We would be in bed at 11:30 pm and there would be a knock on the door, the dog would bark his brains out, and we would go to the door and see Doug standing there. After being surprised and shocked to see him, he would look at us like” What’s the big deal?”. He never made a big deal about what he would like for dinner or a snack, just a simple “ I’ll have a Pepsi. Doug was a wonderful Brother and a man with a very generous heart. He loved his wife, Trish, and his Pride and Joy, Brianna. I am proud of what my Brother accomplished with his life. May God be with you my Brother. Carl

“ Trish and Brianna, my condolences to You both on this sad occasion. I know Doug loved you both very much as was evidenced by how he talked about you. If you have any questions please feel free to call. Unfortunately, I have had to deal with this a lot in my career in HR and we recently planned our funerals. We send our love and prayers.
