“*Edgar Tullar is my Great Uncle. My grandmother was one of his sisters. I was given the great opportunity to find him through AncestryDNA. The day we both connected was a true blessing for the both of us. I had been afraid that All of my Relatives had passed on and that I was alone. He had been my Fathers best friend when they were teenagers and he sent me many photos that he had kept over the years. I loved seeing his banter on Facebook, he always kept me laughing. I know he is in Heaven now with all of his Relatives, He is finally at home. I miss him already, but i know he is at peace. My prayers go out to all of his Family members and friends, and I send major hugs to his wonderful Wife Patsy. I Love you Uncle Edgar, Give My dad a handshake for me. and tell Grandma Wooten I love her too.-Dana Wooten*

“ We are sad to learn of Eddie Wayne's passing.
I have looked up to my uncle Eddie Wayne all my life.
Eddie is and was a wonderful man and seemed to enjoy helping anyone that needed a help.
A couple of facts to share, Eddie Wayne when to Lubbock High School at the same time as Buddy Holly :)
After graduation, Eddie joined and served in the US Navy during the VietNam War and had a number of tours off the coast of VietNam.

I am proud and thankful Eddie Wayne is my uncle and I will miss being able to talk to him (via email) every now and then. Happy Sailing uncle Eddie :)

Patsy and family, we are praying that God will give you each comfort, strength and peace during this difficult time.

Love,
