“ I was Ms. Betty's hairstylist for several years she was a delightful person. She made me laugh ever time she visited. It saddened me when she couldn't visit the salon because of the pandemic. She dearly loved and was proud of her children that was always very evident. Ms. Betty I will miss you so much and like you always joking said to yourself when you talked about something you didn't like, "behave yourself Betty". Well R.I.P Ms. Betty and behave yourself. Love Gina
