

## Erik Roman Garcia

July 28, 1978 - August 1, 2020

Our beautiful boy, Erik Roman Garcia, breathed his last on July 29, 2020 at the young age of 42. He was born July 28, 1978 in Houston, TX, the son of Alisa Renee Kent and Pedro Garcia Jr. and the stepson to Michael Kent. Brother to Michael Klekotta and Elizabeth Cook. Nephew to John Soli and Carmen Garcia, Father to three precious daughters, Erin Garcia, Isabel Denning Garcia and Lilly Denning. And the women he loved, Sarah Denning. Erik loved sports , especially the Astros, Texans and 'His' Rockets. He loved making people laugh and wanted to make a career of it. If he would have had one last thing to say about this, it would be something creatively funny and as I write this, I can hear his voice in my head and I cry and laugh at the same time. He was so charming and charismatic that if you knew Erik, you loved him. But the thing that meant the most to Erik was to love each of his girls with all his heart and that is what he did. Erik was a kind and patient man and we were all blessed to have lived life with him.

“ My condolences to his mom, Renee. It's been years since I've seen my nephew but I'll always remember the day Erik was born when I was 10 yrs old. He was my parents first grandchild & they were very proud & happy to have him in their life. I can remember Erik sitting in his walker when he was a year old & going all around my parents house. Whenever he was going through a doorway, he would have to lift the front of his walker up to go over the bump that separated the rooms. We always got a kick out of watching him to that because no matter how fast he was going, he always remembered to lift his walker in order to avoid the bump. And when his grandma would talk to him in Spanish, Eric would reply in frustration but funny at the same time, "Grandma, I don't understand you!". It would make my parents laugh. He always loved McDonald's, that's all he would want to eat when he visited from Pensacola. My mom would try to get him to eat a little bit of Mexican rice or other cooked food but he didn't like it. All he wanted was those Happy Meals from McDonalds. When he was older, he loved the song Raspberry Beret by Prince. He would wait for the video to play on MTV which back then they played often. Erik was very much loved by our family, he was the first grandson & nephew. I'm glad his grandma is no longer here to experience this loss & that his grandpa isn't aware of what would be heartbreaking news. And although we have been estranged, in our hearts we always hoped for the best for Erik. We now pray that God welcome him into heaven with open arms & that his soul always rests in peace. Thank you for briefly being a part of our lives, for bringing us joy & for making us smile. It goes without saying that we will never forget you. Love you always, Aunt Christina.

*This is Severo Garcia Jr. I am in absolute shock right now. Erik was my best cousin growing up. I looked up to him, looked forward to summer time because I knew that meant my cousin was coming to Texas from Florida. He lived with me for a couple of years and we were never apart. OMG 😞 I love him so much! God bless Erik in heaven I will never forget my big brother.*
