“ *We were sorry to hear of Erma's passing. She was such a sweet, pleasant lady! Before she moved to Texas we enjoyed spending time with her and our Uncle Chet & Aunt Anita. With our sincere sympathy to your family, Jim & Barbara Kraus*

“ *Alan, Your Mom, and my Mom were the best of friends for many many years. My Mom was Betti Pettis. Erma and I kept in touch through Christmas cards even after my Mother died. I even heard from her when she moved down with you. I hadn't in a couple of years so I thought...well this, I guess. I was their official "chauffeur" for our annual Christmas lunch every year, for many years as well. The three of us went with your Mom and Anita to lunch every year...Christmas was the only time I was invited. lol, My condolences to you, and thank you for putting her obit in the D&C. in Rochester.*
