“ My condolences to the family. Galen will be missed; he was a great friend and companion. He always would lend a hand to anyone who needed help. I will never forget the first time we met. We were in Wichita Falls attending a Good Sam's State rally looking to join a chapter. While our first meeting, Galen asked if we wanted to join a chapter. The first thing he asked why we wanted to join a chapter where we would be the youngest members when there are several chapters that the members were closer to our age. We told him we where sure; we became great friends. I enjoyed our talks, hunting experiences together and just being around Galen and Carol. I will miss him.
