“ *I Trischena Marie Diegel was born to Ganell Price Diegel Jr, on May 17, 1974. His name is on my birth certificate and no matter what he is and was my father and there are no words to describe the pain that people didn't know about me, my sister Nichole Suzanne Diegel, or the brother I have never met. We are blood and you can exclude us but God knows that no matter what you can't take that away from any of us.*
