“ Dear Leann, Allison, and Zac,

Our sincere condolences to you and your family as you grieve Gary's passing. He was a good friend and colleague during our time working together at Columbia Gas, and even after we left there to pursue our careers elsewhere. We shared some good times and laughter together with Welby Stahl and Dick Newbold during our time in Virginia. I'll never forget the time we took Zac fishing when he fell out of my boat while playing in the minnow bucket. Man how we laughed. I reached down grabbing Zac's arm to pull him out of the water almost as fast as he fell and into it. Although we will all miss Gary, he will always be with us in the memories we made together. May God's Mercy and Grace comfort you and bring you peace. God bless you. Mark and Lori McClain
