

George Eugene Pitman

December 14, 1941 - April 19, 2022

On December 14, 1941 George Eugene Pitman was born to Louis and Delma Pitman in Houston, Texas. His family and friends referred to him simply as Gene. Gene graduated from Aldine High School in 1961, and he pursued a long career in pipefitting and construction. He was proud to have played a part in creating the current Houston skyline.

Gene created a world revolving around his family, especially his grandchildren. He rarely missed a sporting event or classroom party and he loved teaching them to restore a bookshelf or to drive a car. His love for his family kept him active and lively for eighty years. Gene was quick to help in an emergency or volunteer to help with batting practice or even ballet classes. He showed up as a father and a grandfather without exception. His commitment to his wife is a testament to what a marriage can be.

Gene's first marriage in 1962 to his high school sweetheart, Sue, brought to daughters into the world -Charlene Pitman Kirkland and Darla Sue Pitman, who has daughters Starla Chesnut and Jasmine Stewart. His second marriage in 1983 was to Mary Renee Pitman, and they recently celebrated their 39th anniversary.

Gene is preceded in death by both of his parents and his younger brother Louis Pitman Jr. and daughter Charlene. He leaves behind his wife, Mary Renee. He also leaves behind daughters Darla Sue and her daughters Starla and Jasmine. Julie Ann Dierschke and her children, Joshua and Katie; Wendy Jo McNatt and children Andy Crockett, Mary Frances and James Lake; Mr. &
