“ *My Dear Cousin Gary, you are going to be sorely missed. I loved that you were always so calm, soft spoken & had such love for our country & Jesus. I loved our talks about Jesus very much. I also loved that you liked bringing people together. You truly had the biggest heart. I love you & miss you. To all Gary's family & Taunte' Ilse May God touch your hearts to somehow slowly heal the pain. My grief counselor helped by saying to me one day regarding my husband's passing; - "He's more Alive now, than he has ever been." For some reason that really helped me & stuck with me. Gary is in heaven more alive now than ever before! I love you all! Tina*

“ When I was a kid, I used to sit on a bench at "Triangle Park" watching Gary shoot baskets. He had this stinky yellow shepard mix dog "Fluffy" that followed him everywhere. I shared that bench with Fluffy a lot, just because Gary was so easy to be around. That never changed about Gary. I miss you already.
