

Guadalupe Bertha Pena

March 29, 1931 - July 13, 2020

Guadalupe Bertha Peña 88 years old of Edinburg, Texas Beloved wife of the late Raymundo Peña. Loving mother of Belsa (Angel) Kurday, Raymond Peña, Bertha (Shaun) Wilson and Rolando (Rosie) Peña. Dearest grandmother of Chelsea, Alec, Derik, Brianna and Natalie.

Our dearest mother was our greatest gift from God. She was a loving wife, mother and grandmother. She was married to Raymundo Peña for 63 years. They had four children, Belsa (Angel) Kurday, Raymond Peña, Bertha (Shaun) Wilson, and Rolando (Rosie) Peña. They also had five loving grandchildren, Chelsea, Alec, Derik, Brianna and Natalie.

Mom was the most loving, generous and kind-hearted person. When we needed her, she was always there for us. Our mother had a passion for knowledge, and loved to read. Enjoying time with her family made her the happiest ever. She devoted her life and overcame many obstacles to give us the best life she could. We admired her wisdom on life, her bravery and dedication to our family. She was a servant of God who practiced the Word of God daily. We will carry you in our hearts forever, and serve God as you always taught us. Sabemos que siempre nos cuidarás delcielo. Descansa en Paz, Mami.

“ Hello loved ones,
I have many great memories with Bertha and this is one in particular I'd like to share. During one vacation to Cancun we went to Xel-Ha to enjoy a day at that beautiful park with all its wildlife, beauty and entertainment. We wanted to float down the underground river however she kept warning me Raymundo couldn't swim. I assured her it would be fine as we only had to float down with the current and we'd have life vests! Well, about half way Raymundo kept falling behind which made her laugh! We'd wait for him to catch up then continue down the river only to see he was falling behind again, usually at the bends or pools where you had to paddle a little to stay in the flowing current. This made her laugh even more and when she laughed that much it made me laugh too! Eventually I had to grab him by his life jacket and pull him in the current the rest way down the river to make sure he didn't get stuck in the twists and bends of the river. She laughed the whole time and we all laughed with her because her continuous laughing was infectious. I'd have to say we laughed for about an hour on the river run! I've been smiling the entire time while writing this! It was a great day , we all had so much fun! I feel so blessed to have her kind beautiful and ever giving presence in my life! I could not have had a better mother-in-law! I will always cherish the fun times and laughter we had during our little excursions! I love you Mrs P. Thank you so much for sharing your life and your family with me!

Love always,
Shaun
