“ *It has taken me a while to be able to say goodbye, but for me it will never be goodbye. You are always with me, all the moments of everyday.*
You have taught me an awful lot in life and we're there for me through good and bad. Your humor still puts a smile on my face and in my heart.
I just wasn't ready for you to leave.

The world is missing a great person.

“ *My Grandfather was a big influence in my life, he took part in molding me into the person I am today. We bonded over educational views, political views, the up bringing of my children and tons of other stuff. I loved cracking jokes with him and listening to him tell stories of his past..... that I will greatly miss. There are to many memories to even pick one. He was loved dearly and he will be greatly missed by many.*
