“ Oh, dear family, Inge was such a very special lady to me while working at Betz. She WAS my dearest, sweetest friend ever. She has crocheted me several items which I still cherish 💖. I have thought of her many times since I left Betz. She has always been in my prayers and thoughts. I send my sincere and deepest condolences to all of you ❤️

thank you for your sweet words, Carol! I happened to stumble across some DVDs with Water Cooler Kareoke from her Betz days. I haven't been able to watch them yet but I'll try to figure out how to post them to her social media when I do!

I worked with Inge at Betz. I was in sales so I did not work in the lab. But she was instrumental in her role, helping to support the sales group and develop new products which made an impact on our business. She was delightful to interact with. I loved sharing stories about our families. She was so proud. My condolences on your loss. Susan Brunner
