

Isabele Cabrera

May 20, 1942 - March 3, 2023

It is with heavy hearts that we announce the passing of a truly, truly remarkable woman, who embodied grace, elegance, beauty, and love. Our dearly beloved mom, ISABEL CABRERA, passed away on March 3, 2023, leaving behind a legacy of kindness, generosity, compassion and Love that will forever be remembered. She was a pillar of strength and courage, and her love and compassion were known far and wide.

As a mother, wife and grandma, she was simply the best. We were her pride and joy, and she dedicated her life to providing us with all the love and support we needed. She was our rock, our confidante, and our inspiration. Her unwavering strength and resilience helped us navigate the ups and downs of life, and her memory will forever continue to guide us.

Known for her striking beauty, mom captivated the hearts of everyone she met. She had a smile that lit up the room and a laugh that was infectious. Her warmth and charm made her an instant friend to all who crossed her path, and her natural beauty left a lasting impression on everyone she encountered.

But it was not just her physical beauty that made mom stand out; it was her inner beauty that truly shone through. She was a brave woman of great character, wisdom, and faith who lived her life with love and kindness in her sweet sweet heart. She always went out of her way to help others, even if it

meant sacrificing her own needs. She was a true friend to all who knew her. Always there with a kind word, a shoulder to cry on, or a listening ear. Her generosity knew no bounds.

She was the Angel of Angels. A true angel on earth that will be sorely missed.

Throughout her life, mom touched the lives of countless people with her kindness, compassion, and selflessness. She had a way of making everyone feel loved and cherished, and her spirit of empathy and understanding brought comfort to so many. Despite facing challenges that would have broken lesser souls, she remained strong and brave until the end. Her love and compassion made her the strongest and tallest woman in the universe, and her absence leaves a void that cannot be filled.

Although mom may no longer be with us in person, her spirit lives on in the memories of all those whose lives she touched. We will never forget her infectious smile, her kind words, and the love she showed us all. She truly was bigger than life.

She always mentioned to me that she was a small woman. But in my eyes and heart, she was always and forever will be the strongest and tallest woman in the whole universe.

Rest in peace, our most beautiful angel. You will live on in our hearts in the smiles from our memories forever.

“ My mom was always happy to be around everyone. Her jokes were always right on target. And thru all, her love for all and for life, was pure and intense.

I am honor to call this true Angel, my mom....Mami!
