

Jacob Evan Hamburg

November 3, 1987 - April 23, 2021

Jacob Evan Hamburg of Spring, Texas, passed away on Friday, April 23, 2021. He was 33 years old.

Jake is survived by his wife, Amanda Charlene Hale Hamburg, and three step-children, Kyle Destry Clement, Jeremy Bruce Deats and Heather Lorena Elizabeth Deats.

Known as “Jake” or “Junior” to his friends, he was born November 3, 1987, in Long Beach, California to Herbert Thomas Hamburg and Laura Faith Connor. He grew up in various places but settled in Houston where he found his wife and soulmate, Amanda, in 2013. They were married a mere six months later. He loved his kids. Yes, he claimed them and loved them as his own. Jake was an incredible father figure; cars with Destry, video games with Bruce, and anime and chocolate pie with Heather. And he loved his wife. Always said he’d “wifed the right girl”. He loved Amanda with everything he was and he will love her throughout all time as she will love him.

Jake enjoyed leaving his family in stitches with his various accents. Paco and Vinnie will also be dearly missed. A big gamer family, he and his clan fought against many enemies in New York (The Division), Washington D.C. (The Division 2) and Bolivia (Ghost Recon: Wildlands). He loved his fur-babies, especially Glitch and Tasha, and he loved to dance in the kitchen with Amanda while they cooked dinner. He was an excellent automotive technician, specializing in European cars, and he loved his Volvo S60 R. He was a kind, generous and caring person who often put others needs before

his own. Jacob will be forever missed by all who knew him.

The Hamburg family asks that contributions be made to the GoFundMe link below in honor of Jacob.

“ I first met Jacob when he was little, in his stroller, accompanied by his mom. As years went by, I saw him several times and watched him grow into a wonderful young man. He traveled the world with his mother, Faith, and had wonderful experiences, from Alaska to Yemen to all over the United States.

He married the woman he loved and got to work in a field he loved, doing so much good for so many other people.

This was a good boy, a good man, and a precious soul, to soon to be taken from us so soon. They say only the good die young. Jacob was such a man, a wonderful person and though we mourn, he is now in Heaven, smiling down at us, reminding us that all his worldly frustrations are gone and he is in the perfect light and love of the Lord.

Your light has gone out much too soon here and we miss you so much. But that light now lights up a very special place and a very special person who is now home, with the loving creator of all things. Peace go with you, Jacob. You will be always in our hearts, loving the very special person you were here, and now with the Lord in Heaven.

“ Jacob, you were only 6 yrs old when I took you for your first sledding (snow) day. After a good run, you climbed up the steepest part of the hill, but tired out only feet from the top. You dropped into the saucer, only to go down the hill Backwards very fast! The look on your face still remains in my mind. A hilarious moment and perfect day spent with my nephew.

You are at Peace now my little bud.

*Love,
Uncle Jim & Aunt Sylvia*
