

James Myron Brill Jr.

March 12, 1958 - December 14, 2021

“Tractor Man”, 63, of Spring, Texas passed away suddenly on December 14, 2021 at his home. Everyone who knew Jay knew that he was a great friend to have. He would take the shirt off his back to help someone out. He had a heart of gold and will be truly missed by so many. He spent his whole life on the 12 acres he called home. He loved to fish and hunt and he taught his grandchildren to do the same. He was so proud of his grandchildren. As you all know Jay lost his youngest son in December of 2005, so we are at peace to know that he has joined Cody and they are in each other’s arms again. Jay never met a stranger; he loved to talk and tell stories. Jay also loved to help the community out for example when we flooded a few years back he took his boat out and rescued many people from their homes that were flooded. He was just a good ole boy! They don’t make them like him anymore!

Jay was preceded in death by his parents, James Myron Brill & Janett Brill and his son, Cody Brill. He is survived by his son, James (Jimmy) Myron Brill III and daughter in law, Katie Brill of Spring, his grandchildren, Shelby, James, Emma, Madyson, Mason and Kaylee as well as numerous cousins.

“ You have been like a Dad to me since before I was 18. You celebrated that birthday and many others with me down on the Creek. You taught me a lot over the years. When I would listen. Just know I remember every word. You will be missed but never forgotten. I just can't wrap my head around you being gone. I just saw you the other day. Life's not fair sometimes but I know you are happy with Cody now. Much love and prayers. Until I see you again.

“ If everyone could have a neighbor like Jay the world would be a much better place. You could count on him to help, rescue, or advise. He will be missed but never forgotten and will now be with his folks and Cody.
