“ I apologize for being tardy. I do know Bob would forgive me, knowing I was watching Tennis Opens daily. I tried to call him regularly. Bo and I had known the Deal Family since the early 70's.. In fact, we had known the twins since they were toddlers and Jason wasn't that much older. Over the years, Bob came to visit us in Corpus Christi, and we visited them in Houston. For a while Bob's Dad lived with them, but we never met. Judy and I hit it off from the beginning...our three children were growing up in Middle & High School before their crew started. Our one common ground,..... working for Mobil, kept us updated on the calendar. Also there was and still is deep respect between Bo and Bob. At a later date, when I found out the whole family played tennis, my respect elevated to the max. Can you imagine the meeting above the clouds when Bob was no longer an earthling character?

I feel sure Malcolm, Butler, Charlie, Lloyd, Roach, Brunson, Cooney and Bo were on the greeting team at the gate. St Peter probably was encouraging them to sit down, he didn't need the committee??!! Bob was a thoughtful character, I shall miss him more in years to come. Sincerely, Melba Shaw
