“ *Such a sweet man, always a smile and something funny to say. I didnt know you long, but the times I was around you, I just remember a fun loving guy with a huge heart. I hope you are at peace now and getting the trails in heaven ready for all your buddies*

“ There is not a day that goes by that I do not think of you. I miss our morning calls and our conversations. I can not express the emptiness I feel without you being there. I never knew a better friend who was always there when I needed him. God Bless!

“ Richard, I am going to miss you so much. I feel such an emptiness right now. I know I will see you again one day. I know you are up in Heaven riding your 4-wheeler all over the place having the best time. I love you and I will think about you all the time
