

## James Michael Stolle

May 22, 1950 - April 26, 2026

James Michael Stolle was born on May 22, 1950 in San Francisco, California and passed away on April 26, 2026 in Houston, TX. Jim met the love of his life, Linda Parsons, in high school and the two were later married in 1971.

Jim attended both Oregon State and Brigham Young University - receiving both Bachelors and Masters degrees in Geology. Jim was baptized into the Church of Jesus Christ while in college. This decision encouraged faith to guide his life.

Jim spent his career in the oil industry working for several companies as well as running his own business.

Jim was passionate about family history. He helped many people over the years put together their family tree. Jim was raised in scouting, achieving the rank of Eagle Scout, and has always had a love for the outdoors.

Jim relished spending time with family & friends. He loved family reunions, fishing, camping, and putting in the garage. Jim's support of his children and grandchildren took him to ballfields, concerts, and plays in Tennessee, Texas and Utah.

Jim will be remembered for his wisdom, humor and solid advice, his

encouragement of each family member, and for his generosity and kindness. Jim's most well-known quote was, "Don't sweat the small stuff".

Jim is preceded in death by his parents, Dora and Harold, and his granddaughter Caitlyn. Jim is survived by Linda, his wife of 54 years, his children: Meredith (Braden) Bell, Mike (Elise), Jason (Becky), Chad (Kristin), Randy (Beth) and Janae Stolle, along with 23 grandchildren and 6 great-grandchildren and one more on the way. “ Jim Stolle loved genealogical research, especially as it related to solving his own family history questions, such as: “How did the family name Stolle come to be?” We never tired of hearing the stories he would tell in his pleasant, robust voice and easy smile. Jim and Carl Howard both served for any years in the Family History Center on Kleinwood Dr.; since families are forever, their service will most assuredly continue beyond the veil.

“ I did not know Jim, but I know Jason. My personal time with Jason though very brief in the whole scheme of life was one of inspiration and awe. He helped take my family on the hunting trip of a life time. A bucket list event for me. The kindness and love he put forth towards my family was astounding. That kind of kindness and unselfish love had to come from a great father. I'm sure Jim will continue to live on in Jason's heart and sole. The world needs Jim's and Jason's.
