

Janine Benton

November 23, 2017

Janine Ann Mollere Benton died at the age of 46 on November 23, 2017 of heart failure. She was born in Annapolis, Maryland on November 10, 1971, but lived most of her life in Spring and Conroe, Texas. She was a loving mother, sister, daughter and friend. Her life revolved around her children, Raymond and David Morales. Raising them was the greatest joy and accomplishment of her life.

She loved hanging out with family and friends for get-togethers, parties, and game nights. She was great at telling stories and always made you laugh. She had a great memory and never let you forget something you did 20 years ago! Debbie Belyeu and Susan Ware, her closest friends for over 30 years were such a huge part of her life as well. They were her "other sisters" as much as they were her best friends.

Janine had gone to school for cosmetology, but found her niche working in administration and loved working at her most recent job for almost 10 years, Quality Home Products of Texas. She made several life-long friends while working there.

Family was very important to Janine, and she had a very close relationship with both her mother, Regina O'Connor and sister, Michele Ziller, but one of the most special people to her was her father, Raymond Mollere. They are

together now in Heaven, along with her grandmother, aunt and cousins and rest assured she has some stories to tell them all and they are all laughing together.

Janine's life ended much too soon. To honor her memory, donations can be made to a college fund for her children, Raymond and David Morales. You can contact her sister Michele Ziller at mziller9@live.com if you would like more information.
