

Jason Anthony Rathweg

July 10, 2016

On July 10, 2016, after a year long battle against Pancreatic cancer, Jason went home to be with his Lord and Savior. His fight was courageous and inspiring to all who knew him.

Jason was born on June 14, 1983 in Baton Rouge, LA. He is survived by his parents, Steve and Christine; brother, Joshua and wife Michelle; sister, Jessica and husband Chase; four nieces, Avery, Bryn, Jaden, and Peyton; and one nephew, Trenton.

Jason was a graduate of Klein High School, where he was a member of the Klein soccer team. He went on to graduate with a B.S. in Biology from Baylor University. After graduating from Baylor he went on to achieve a Master's Degree in Epidemiology from Texas A&M University.

After graduation he started a wedding photography business with his brother and spent the last six years in that business.

Jason was loved for his unique sense of humor, his love of adventure and his overall love of life. He had no fears and took on any challenge that came his way, including the challenge of battling cancer. He was a faithful friend to all, a dedicated and loving uncle to his nieces and nephew and a wonderful son. He will be greatly missed by all who loved him and they will be forever proud of him.

In lieu of flowers, please make donations to MD Anderson Pancreatic Cancer Research.

Your suffering is over, rest in peace with God, Jason.
