*Jennifer, you will be greatly missed. I wish that we hadn't lost contact for all of those years. so glad I got to see you recently and to see you enjoying time with your family. I will always remember how we tried to go into the Navy as Buddies. I am so proud that you were able to even if I wasn't. You will forever be remembered fondly. Your family is in my thoughts and prayers.*

“ I will remember the talks we had like sister's at heart when I needed advice or just someone to listen to me vent and the times we shared. I wish we had more time together. You were such a kind and fun person and your spirit was so inviting. I will cherish you and send all my love to you and your family. It is a blessing to call you my sister. We will meet in that Heavenly mansion again some day along with all of our loved ones. May God comfort and bless those left behind from this loss.
