

## Jerry Stuart Neman

April 1, 1969 - September 1, 2021

It is with the deepest sorrow; we announce the passing of Jerry Stuart Neman. Jerry was born April 1st, 1969, in Fall River, Massachusetts, to Alicia and Jerry Neman. He was a loving father, son, brother, friend, and devoted lover.

Jerry served in the United States Navy, during Desert Storm as a BT (Boiler Technician). He traveled all around the world but always called Texas his home.

Jerry was a historian, singer, poet, gunsmith, cook, engineer, intellect, and craftsman. He could accomplish anything he set his mind to do. At a very early age, he was tested for his IQ and scored at the genius level.

He loved music and it was his passion. He was particularly fond of the Blues, and Elvis Presley. He played the guitar and harmonica. Elvis Presley was his favorite singer and he loved performing his songs.

He and his girlfriend Shannon were high school friends and when finally meeting up later in life discovered they were indeed soul mates and feel deeply in love. Shannon lived with Jerry in Spring Texas, and they enjoyed many wonderful happy days together until he passed. He is survived by his mother Alicia, his father Jerry, his daughter Caitlyn and his sister Michelle. He will be missed

deeply and will forever hold a place in our hearts.
