

John Kody

January 22, 1941 - December 25, 2018

John Allen Kody was born and raised in Houston Texas. He was a father, grandfather, husband, brother, and friend and he attended Woodland Oaks Church of Christ.

After marrying his high school sweetheart, Betty, in 1961, John remained a devoted husband for 57 years and always wanted her by his side whether he was hunting, fishing, taking photos or working on their lake cabin. John also loved spending time with his son, Jason and never missed an opportunity to play baseball, board games, video games or help with math homework.

John worked as a piping designer for 57 years. Before retiring in 2008, he worked 25 years as a contractor for the Exxon plastics plant in Mont Belvieu. He was a smart cookie that could fix most anything and kept the house well maintained. John was also very artistic and delighted his son and granddaughters with amazing drawings and photographs over the years.

John adored his three granddaughters, Mackenzie (18), Erin (15) and Claire (12) and loved taking them on picnics and nature hikes in local parks when they were young. He was always willing to be silly and even played a board game called "Pretty, Pretty Princess".

John is survived by his wife Betty Kody, his sister Betty Bell, his son Jason

and daughter-in-law Brenna and his granddaughters Mackenzie, Erin and Claire.

The Addison family and staff extend our heartfelt condolences to the Kody family in their time of loss.

The family has requested donations be given in honor of John's life to the National Kidney Foundation. www.kidney.org

“ *Dearest Betty and family. Dan and I just heard about John's passing. We are so sorry for your loss. Our son, Jeff, is the one who let us know. We wish we had known sooner to send this Memory. We all have wonderful stories to tell about our years of playing Baseball together. John was a great coach! He also taught life lessons to all the boys he coached -honor, play by the rules, respect people, a moral code. He was a good man. - please accept our late but heartfelt message.
