

John Henry Major

May 1, 2017

John was born in Milwaukee, Wisconsin December 20, 1955. John's parents Jack and Maureen Major moved to Dallas, Texas shortly after his birth. John attended the prestigious Jesuit College Preparatory School during his youth. He attended the University of North Texas in Denton, Texas and Houston Community College System, earning a degree in Applied Science in Business Management. John enjoyed a long and distinguished career as a Sales Account Executive.

John enjoyed life and had many activities to fill his days. He loved golf, reading, lawn care, running, museums and road trips; to name a few. John had a sense of humor and optimistic attitude toward life and made the best of each day.

John's true passion was family. John was a proud man, distinguished with integrity. He had a sense of humor that could draw in a crowd. He was a dedicated, supportive and loving father, step-father and husband. His brothers and sisters were a huge part of his life and each visit with them bonded their connection a little more each time.

With John's passing the world has lost a treasure and will be missed by many near and far.
