“ *We lost one of the best ones.
John was always the highlight of any gathering. Reciting his poems
about his loving wife (who's memory I will always cherish as well.)
Always with so much heart and emotion.
So much love emanating from him.
My favorite*

“ *Robert, Kelli and family, we lost two fine people in Jobn and Juanita.
I thoroughly enjoyed being with them the lays few years. We struck
up several mutual friends from the past. They will truly be missed.*

Please know that you and your family are in our thoughts and prayers during this difficult time. May the prayers and the strength of your faith be the "wings" (Isaiah 40:31) that will lift you up right now. Love, Chuck and Becky (Cott
