“ *I am one of the " McCoy Boys" who met Johnnie in the Air Force as young men or more like boys. A group of us became very close but went our separate ways after getting out of the Air Force. We reconnected about ten years ago and got together once a year to enjoy each others company and share the sorrow of losing loved ones. I will always remember Johnnie's wit and humor. I don't think I ever saw him angry. We have a reunion coming up which Johnnie was looking forward to but sadly, will not make it. We love him like a brother. He was a wonderful person and we will raise a glass to him at our upcoming reunion.*
