Jose Luis Saucedo passed away on September 5, 2021, at Houston Methodist Willowbrook Hospital. He was sixty-one years of age. At his bedside was his wife of nearly eleven years, Angela Saucedo, who was a devoted and loving spouse. In death, he was surrounded by his family and loved ones, who will strive to honor the memory of such a dynamic and amazing man. There was no better husband, father, grandfather, uncle, and friend than our beloved Luis.

Jose Luis Saucedo was born on June 11, 1960, in Tampico, Mexico to Porfirio Saucedo and Maria Elena Hernandez de Saucedo, whom he dearly loved. He had two wonderful children, of whom he was immensely proud, Gunnery Sergeant Emmanuel Saucedo, currently stationed in San Diego, California with his wife, Caprice Saucedo; and Suylan Saucedo of Houston, Texas. He was also a wonderful stepfather to Elana Dunn and her husband Matthew and Carl Clifton Elliot III and his wife Brandee, both of Beaumont, Texas. He was a resident of Spring, Texas where he lived with his wife Angela, lovingly hosting many family members, friends, colleagues, and fellow church members of

Champion Forest Baptist Church, which he faithfully attended; and his grandchildren, Marcus, Megan, Ana, Jacob, Adelina, Gabriel, Samuel, Isaiah, Sophia, Jack, and Isla, who he faithfully served, laughed with, instructed, and loved.

Luis was preceded in death by both of his parents, Porfirio and Maria, and is survived by his wife, Angela Saucedo; brother, Porfirio Saucedo, of Edinburg, Texas, and his wife Santa and their three beautiful children, Cynthia, Claudia, and Ana; his sister Maria Magdalena and her husband Jesus, and their beautiful children Sofia, Victoria, and Gabriella. He greatly loved both of his siblings and was a wonderful uncle to his precious nieces, all six of whom he cherished. Luis has many extended family members in Mexico; aunts, uncles, and cousins, who he remembered in his thoughts and enjoyed visiting.

Jose Luis Saucedo, first and foremost, loved his Lord and Savior, Jesus Christ. Nothing brought him more joy than to worship his Savior and share the truth of the gospel with his family, friends, and patients. Luis was an intelligent, complex, and passionate man. He loved to dance salsa and cook salsa. Many of his dearest friends and family can attest to his amazing cooking, wonderful homemade salsa, and his zest for living. He was the kindhearted Registered Nurse that many knew and loved, and a gifted Nurse Practitioner who treated every patient with dignity, patience, and marvelous skill. To work with Luis, know Luis, serve alongside Luis, be loved by Luis, love Luis, and to share in his life and passion was the greatest gift we will ever know.

“Angela and Luis- your love story has been one stories are written about❤️❤️ I will always cherish those good times in ICU watching the chemistry of how God was weaving your lives together! Thank you for sharing your love and life with me- with us all. Luis took me under his wing as I was a new graduate RN and taught me! He made me laugh when I felt like crying and sharing our faith deepened the friendship we were blessed with. Angela thank you for sharing your love story so publicly and allowing prayer warriors from all over the world to share in your Covid journey! We prayed and prayed and then rejoiced in your personal miracles of healing- Praise God for the extra gift of TIME you two were blessed with 🙏❤️ You lived it out loud for us all to see the wonder and share in this new chapter of your love story.....and now our hearts are heavy and sad💔 at the sudden passing of your precious Luis.....our prayers will be with you without ceasing and our eyes will be to heaven as we can only imagine what this new chapter of eternal life with our Lord above begins for Luis....What joy in heaven but what loss here below. These words blessed my broken heart when our little girls went to be with the Lord and I hope they bless your too dear Angela and family... God is still writing this next chapter of your story and I wait with great expectation to hear what God has in store for you sweet Angela...

“Those we love are with the Lord and HE has promised to be with us...Since they are with HIM and HE is with us , they cannot be far away”

Eyes to the skies- Keep looking up and you can count on us to keep lifting you up in prayer 🙏

“ I am lucky enough to have great memories of crazy Luis. One day we were working together at Kingwood Medical Center when a hot water pipe burst. The female nurses were trying to get the patients to safety and Luis took a garbage can and started baling out the water. He's baling away working strenuously trying to keep us dry. Finally EVS gets all the bath blankets they could find to absorb the water on the floor. We were all exhausted and very wet. Luis looks at us and says, "Never thought I'd be at a wet T-shirt contest at work ladies." You had to love that guy!

Luis, Angela, my husband Allan and I would go Salsa dancing; we even took lessons. Luis would always say..."why don't your hips move?" I told him it was genetic, I'm a Jew! Christmas parties, anniversary parties, his wedding to beautiful Angela, just a party to party, he always lit up the room.

I'm sure he's in heaven right now teaching everyone to salsa saying, "why don't your hips move!!!" I will forever miss him. I'm crying now but I know his memories will always make me smile. That is his legacy to us!

And you did my brother in Christ . Everyday on Facebook. I'm sure I'm not the only one you reached with the gospel. Don't know when my dear friend but see in heaven I will try to fight the good fight as well . Thank you 🙏 for being a friend.
